**Copyright** – This document may not be reproduced or transmitted by electronic, mechanical or any other means without the permission of Global Trading Edge.

All presentations, programs and marketing by Global Trading Edge provide general information only. All references to Securities, Shares, Stock Options and any other financial instrument are made using historical or factual data and are intended for educational purposes only. It is advised that all members, visitors or seminar attendees should seek independent financial advice as to the individual suitability to their own personal financial goals and objectives before applying any strategy for their own purposes.

All investors, traders and potential investors/traders should be aware that in providing any information, whether educational or general, Global Trading Edge did not take into account the investment objectives, financial situation and particular needs of any one individual. The information contained on or within all Global Trading Edge products or third party products is provided for general informational purposes, as a convenience to the customers of Global Trading Edge.

Before making any investment decision based on any information and education Global Trading Edge has given, investors and prospective investors need to consider (with or without the assistance of a securities or financial advisor), whether the advice is appropriate in respect to their own individual investment needs, objectives and financial circumstances. Consult the appropriate professional advisor for more complete and current information.

Stock Market Trading involves risk. Investors need a stock broker to trade Options, Shares or Securities and must meet suitability requirements. Past results are not necessarily indicative of future performance. Investors are required and advised to request for and read the guidelines and information leaflets on trading certain products as provided by the particular stock market they trade in. Usually qualified stock brokers have such information at their disposal.

None of the information and data contained in this website (<http://www.globaltradingedge.com>) and associated sites, nor any opinion expressed, constitutes a recommendation to purchase or sell a security or derivative, or to provide specific investment advice.

Any website provided by Global Trading Edge is done so on an "as is" basis. Global Trading Edge make no representations or warranties of any kind express or implied, as to the operation of any site or the information, content, materials, or products included within.

To the full extent permissible by applicable law, Global Trading Edge disclaims all warranties, express or implied, including, but not limited to, implied warranties of merchantability and fitness for a particular purpose. Global Trading Edge is not engaged in rendering any legal or professional services by placing these general informational materials on this website.

Global Trading Edge will not be liable for any damages of any kind arising from the use of this site and associated sites, including, but not limited to direct, indirect, incidental, punitive, and consequential damages. You accept all risks and responsibility for losses, damages, costs and other consequences resulting directly or indirectly from using this site and any information or material available from or through it.

Global Trading Edge limits any liability that cannot be excluded to restoring the service, re-supplying the material or refunding any amount paid to Global Trading Edge for the service or material. Any products or services provided by Global Trading Edge may be modified over time.

The information contained inside the Global Trading Edge site and its associated sites is intended for general information and educational purposes only and should not be considered an individual recommendation or personalised investment advice. Equally the financial product advice provided by Global Trading Edge is general advice only, not personal advice.

Global Trading Edge makes no representations or warranties about the accuracy or completeness of the information contained on this website. Any links provided to other server sites are offered as a matter of convenience and in no way are meant to imply that Global Trading Edge endorses, sponsors, promotes or is affiliated with the owners of or participants in those sites, or endorses any information contained on those sites, unless expressly stated.

The financial products referred to in the information are not suitable for everyone. DO NOT base an investment decision solely on the information supplied within any Global Trading Edge website or newsletter. You should always seek your own independent financial advice from a licensed broker or financial planner who will carefully consider your personal objectives and circumstances.

Global Trading Edge is not a qualified, licensed or practicing accountant, finance professional, investment advisor, investment planner, financial planner or advisor and as such, we do not offer financial product advice. In respect to workshops and home study courses we do not offer refunds under any conditions and clients are advised to review all material prior to making their purchase decision. Once goods have left our control via Australia Post or your nominated carrier responsibility of these goods is that of the purchaser. We offer a free repeat facility on all of our workshops as part of our policy.

You agree/accept that Global Trading Edge cannot guarantee the accuracy or completeness of the information given although the utmost care has been taken to ensure the correctness of this information. We encourage you to assess each strategy and any information and educational matter by your own means and seek appropriate advice before committing any funds.
